Subject: FMNITAI rank examination

Dear all,

The National Technical Direction and the EFNTJ Board have decided to structure the rank exams of the World Federation of Nihon Tai Jitsu (FMNITAI); these new rules will be applied from 1st January 2020.

The work undertaken specifies in particular the regulatory requirements allowing the satellite countries (Belgium, Bulgaria, Estonia, Burkina Faso, Togo and Cameroon) to organize rank exams of Nihon Tai Jitsu and/or Nihon Ju Jitsu or other FMNITAI disciplines.

As regards French FMNITAI members, these new rules apply to them only for the rank exams of Nihon Ju Jitsu, Arnis, Hambo Jutsu and Tambo Jutsu because the French Federation of Karate is the only one authorized to organize the Nihon Tai Jitsu rank exams in France.

The FMNITAI rank exams will be organized and placed under the direction of an FMNITAI expert¹. This one can rely on regional technical managers and on regional associations where these are structured.

The validation of any FMNITAI rank remains subject to the signature of one National Technical Direction member.

The examination dates must be communicated as soon as possible to the Ranks Secretariat by the FMNITAI expert in charge of organising the rank exam and the President of the host region. The Ranks Secretariat will be responsible for communicating and posting them on the National website.

The FMNITAI expert will communicate the composition of the Examination Board to the Ranks secretariat which is managed by Olivier POUTOIRE, regional expert, who will send the various convocations.

This collaboration between FMNITAI experts, regional technical managers and presidents of regions will be helpful for a better organization of FMNITAI rank exams. It will also make the communication of the different required information to the Ranks Secretariat easier.
